To whom it may concern, a reference for Mat Jones of Jetblast

During 2005 before the sale of our hotel, we had Mat from Jetblast working on a several jobs both at the hotel and other jobs not connected with the hotel.

Whether working inside cleaning or cleaning outside, he is a good, hard worker and very experienced, capable of many tasks and always carried out to a high standard and within the timeframe agreed upon.

He has good communication skills and is very pleasant to all our customers.  
I highly recommend him.

Yours Faithfully
